

Your Investment

Everything good costs something! Costs for this training are as follows:

**Tuition for all books,
class materials and fees \$250**
Participant responsibility \$150
Local Church responsibility... \$100

Local church pastors and elders must be willing to actively engage, encourage and support each trainee during their course of study.

Your Benefit

Key benefits of your involvement in the Bible Instructor Training include:

- Professional training in every aspect of Bible Instruction work.
- Coaching regarding the practical application of principles and techniques in actual Bible Study situations.
- Encouragement during the Training through the Cohort Support System.
- Become a foundational leader of a team of Bible Instructors in your church.
- Begin a steady stream of well informed baptismal candidates joining your church.
