Subject: Bible Instructor Training Invitation

Dear Friend:

We are finally ready to go forward with the proposed Bible Instructor Training Program sponsored by the NPUC Office of Regional Affairs and supported by local churches around the North Pacific Union.

Dr. Colin Dunbar, who in my opinion has put together the most comprehensive Bible Instructor Training Program I've seen so far, has graciously agreed to serve as Professor/Trainer for the course.

Attached/enclosed are the following items which have been designed to help you better understand the goals, costs and requirements of participation in the program:

- Descriptive Flyer
- Student Application Form
- Pastoral/Church Recommendation Form
- Reference Form
- Meeting Schedule

If you have any questions or concerns that have not been addressed in these documents, please contact me at:

While it is the goal of the church to develop the gifts of every church member and equip them for ministry and service in the world, we recognize that not everyone is called to the Bible Instructor ministry. Therefore, what we are looking for in this inaugural class is a few gifted and committed people who feel the calling of God upon their lives to do Bible work.

If that is you, please apply. We want you! Your church needs you! You will grow spiritually like never before as you see how God wants to use the rest of your life.

Let me hear from you soon.

Blessings.
